## INTERNSHIP CERTIFICATE

Mr. **Kevin Anum**, born on 26<sup>th</sup> August 1995 in New York (USA), was employed as a trainee in our company from 3<sup>rd</sup> July 2017 until 31<sup>st</sup> August 2017.

The Mühlbauer Group is a leading manufacturer of innovative and refined ID system solutions for the security industry. The company develops and produces high-tech machine lines for manufacturing of Smart cards (multi-application cards) and Smart labels (intelligent labels) and is the only provider worldwide capable of offering turn-key and complete solutions – from chip bonding to personalization processes.

During his internship Mr. Anum was mainly entrusted with the following tasks:

- Adjustment and optimization of a vision module to prevent data offset
- Definition and implementation of tests
- Introduction to the topic of image processing (electrical, structural and basing on software technology)
- Preparation and presentation of a final report as well as documentation

Mr. Anum was interested in the work assigned to him and in the working processes. He successfully applied the knowledge taught to him. His analytical skill and his good perceptive faculty permitted him to lead emerging problems to a satisfactory solution. He was always able to cope even in times when there was a very heavy workload.

In the performance of his activities, he observed the guidelines and worked conscientiously and efficiently. He always showed good motivation. The work results he achieved were exemplary.

In summary his performance could always be rated as good.

Due to his constantly friendly and polite manner he was highly valued by all. His attitude towards our business partners was always exemplary too.

The work placement ends as agreed on 31<sup>st</sup> August 2017.

We express our thanks for the invariably good cooperation. We wish this dedicated and capable trainee all the best and much success in his further career and private life.
